

Spring agronomy field day – Gilgandra

Hosted by local producers, with guest speakers from NSW DPIRD, Grain Orana Alliance, industry and Local Land Services, this field day will feature the latest agronomic advice across a range of topics and trial sites.

Topics we'll cover:

- National Variety Trials for canola and cereals - Peter Matthews, DPIRD
- Crop disease discussions - Dr Steven Simpfendorfer, DPIRD
- Best nitrogen strategies for improving crop yield and profit margins – GOA

Lunch will be provided so please RSVP for catering purposes.
